Kenya Bamboo Centre

Redesign of logo and marketing materials for the Kenya Bamboo Centre based in Nairobi, Kenya.

Kenya Bamboo Centre (KBC) is a registered Trust in Kenya. Since 2011, it has worked in partnership with NGOs, local authorities and communities in Kenya with the committed aim of improving a healthy and sustainable environment and promoting livelihoods through the use of Bamboo.

Bamboo is a fast growing, renewable, widespread, environment enhancing resource. It offers excellent opportunities for environmental sustainability combined with poverty reduction.

Kenya Bamboo Center deals with the propagation of various species of bamboo, training services and the production of quality products.
